

OCSA FAMILY FIREARM SAFETY & EDUCATION DAY

Sunday Oct 16, 2022

Old Colony Sportsmen's Association

OCSA will be holding its annual **Family Firearm Safety and Education Day** which provides youth and their families the opportunity to come together to learn, experience, share, and grow in appreciation of the shooting sports. The event themes offered in the program include black powder, pistol, rifle, shotgun and archery and are designed for discovery. We will provide exposure to the many different activities available at OSCA in shooting sports and offer participants the opportunity to explore them in a safe, controlled environment.

The program will cover the basics for safely operating firearms and archery. You will be able to rotate through the disciplines as desired. Instructors will be on hand to coach attendees through shooting trap, muzzleloaders, rifles, pistols and archery. Shooters can expect to develop familiarity with, and fire, multiple firearms in each of the disciplines. **Please note that Black Powder will run from 10-12 with IDPA active from 12-1.** Instruction, firearms, ammunition, hearing protection and safety glasses will be provided.

Questions? Contact: lindachap02@gmail.com

NOTE: All ranges will be closed to regular members during this event
